PART 1 | VALIDATION & GOALS

- Suggestions for How to Use this Book
- Introduction
- Aunt Betty's Story
- From There to Here
 - Engineering and Med School | Research and Rheumatology | Making the Choice | A Fortunate Meeting | That Research Discovery Moment | Seeing the Whole Patient | The Path to Dr. Mozayeni | Finding the Right Diagnosis and the Right Treatment
- What Do We All Want?
 - To Be Able to Grocery Shop | Essential Players | Putting Yourself First | Fulfillment, Feeling Centered
- What's the Secret to Healing?
 - Diagnosis | Physician | Patient Personality Traits | Traditional Treatment | Ancillary Physical Therapies | Psychological Therapies | Alternative Therapies | Dietary Changes | Community | Spiritual

PART 2 | SEPARATING LYME DISEASE & BARTONELLA

- History of Lyme Disease
 - Discovery of Lyme Disease | Antibody Testing Developed | How Lyme is Transferred to the Human Body
- Diagnosis of Lyme
 - Clinical Diagnosis of Lyme | Blood Test for Lyme | Bayesian Probability Decision Making | Considering Other Ailments
- Lyme Treatment Basics
 - Traditional Tick Bite Treatment | Patient Preference
- Emerging Awareness: It's Not Always Just Lyme (Borrelia)
 - Differing Perspectives and Priorities
- Chronic Infections Can Cause Small Vessel Disease
 - The Biology of Chronic Infections | Germ Theory of Disease
- Small Vessel Disease
 - What is Small Vessel Disease? | Recognizing Small Vessel Disease | How Do We Find Small Vessel Disease? | Lyme Disease in the Brain | Blood Viscosity | How Does Bartonella Play into the Small Vessel Disease Picture? | How Does Inflammation Complicate Chronic Infections? | Bio-films | Germ Response Variability | Considering Small Vessel Disease During Diagnosis
- Bacteria Causes Pain
- Transient Symptoms
 - What is Peripheral Neuropathy? | POTS (Postural Orthostatic Tachycardia Syndrome)
- Why Testing for Co-Infections is Critical for Successful Treatment
 - Limited Testing Options | Finding a Reliable Bartonella Test | Benefits of Better Testing | Disease Transmission to Humans | Separating Lyme Disease and Bartonella

PART 3 | DO YOU SEE YOURSELF IN HERE?

- Sharon's Symptom History
- Typical Patient Characteristics
 - Physical Characteristics | "List of Symptoms" Patients | Patient-Physician Relationship | Psychological Characteristics
- Misdiagnoses
 - All Those Doctors... | How Most Physicians Think | Chronic Illness and the Cascading Effect
- Case Studies
 - John—Multiple Sclerosis | Lauren—POTS | Joseph—Asthma and COPD | Hans—Hypotension | Brittany—Celiac Disease | Axel—Chronic Inflammatory Demyelinating Polyneuropathy | Lynn—Tick Bite | Laura—Bi-Polar Disorder and Schizophrenia
- To the Family and Friends
 - Fatigue | Human Being/Doing | But You Have to Work, Right? | What We Need You to Know | Is This Really a Deadly Disease? | Message from One Caregiver to Another
- One Spouse's View
 - Jeff Rainey

PART 4 | MATCHING PATIENT, PHYSICIAN & PROCESS

- Finding the Right Physician
 - The First Appointment | Honesty Between Physician and Patient
- What to Look for in an LLMD
 - What I Initially Looked For | The Questions I Should Have Asked
- Finances
 - Choosing Your Health Plan | Whom to Treat First? | Deciding When Not to Treat
- Preparing for the Monthly Appointment
- The Appointment

- After the Monthly Appointment
- Frenzied Frustration
- Surviving Between Appointments
- Herxing
 - Definition of Herx | Differentiating between a Herx and Side Effects
- Detoxing
 - Importance of Detoxing | General Detox Methods | Importance of Genomic Assessment in Detoxing | Cytochrome Enzyme Limitations | Chelation | Don't Make Things Worse

PART 5 | TREATMENT

- Managing Chronic Illness (from the Physician's Perspective)
 - Functional Medicine | Food Allergies | MTHFR Gene Mutation | Mold | Adrenal Function | Thyroid Function | Testing for Co-Infections | Broadening the Focus | Evaluating the Probability for Each Infection | Can Bartonella be the Biggest Global Germ Problem?
- Adrenal Testing and Treatment
 - Adrenal Fatigue | Adrenal Management
- Thyroid Testing and Treatment
 - Thyroid Hormone Management | Ineffective and Outdated Testing | Euthyroid Sick Syndrome - Type II Hypothyroidism | Myxedema | Connecting Adrenal and Thyroid Treatments
- PICC Lines
 - Role of PICC Lines in Lyme Disease Treatment | Known Risks of a PICC Line | Indirect Risks of a PICC Line | Antibiotics for Co-Infections
- Treating Family Members Simultaneously
 - From One Family to Two | All in the Family | Healing Times Vary | How Did We Get Through it?
- Effects of the Internet and Technology
 - Technology Trends | Patient Preference | Information Trends | Traditional Mainstream Medicine | Same Meds, Different Dosages | Healthcare Fail | People on the Internet Asking Technical Questions
- Treatment Fatigue
 - Major Threat to Recovery | Why it Happens | After a Long Course of Treatment | Psychological Drivers | Reviewing What Does Work | Sharon's Experiences with Treatment Fatigue
- My Worst Moments
 - Finished | Leaving | Writing a Check | Simple Things | Incontinence | Pets | Misreading the Label | Getting Up | Staying Up | Falling Down | Executive Functioning | Surgery | All Made Up | Break Time | Stairs | Insomnia | Simon Says | Sensory Overload

PART 6 | OTHER COMPONENTS FOR COMPLETE HEALING

- Post-Traumatic Stress Disorder
 - Characteristics of PTSD | How PTSD Influences Treatment | Responding to Patients' Psychiatric Needs | Effect of PTSD on Treatment | Importance of PTSD Therapy for Complete Healing | Patient Transformation | Patient as Healer | Transformation for Practitioners | Eye Movement Desensitization and Reprocessing (EMDR) | Somatic Experiencing (SE)
- Psychological Therapies and Support
 - Acceptance | Willingness | Support Groups & Message Boards | Meditation & Prayer | qEEG and Cranial Electrical Stimulation / Potential Avenues of Treatment Using Electrical Patterns and Electrical Signals
- Physical Therapies
 - Acupuncture | Chiropractic Care | Physical Therapy | Massage Therapy | Bowen Therapy | Lymphatic Drainage Massage | Thai Massage | Reflexology | Reiki | Yoga
- Non-Traditional Treatment Modalities
 - Hyperbaric Oxygen Therapy (HBOT) | Essential Oils | Rife Machines | Magnets | Alkaline Water
- Dietary Recommendations
 - Food Allergies | Antimicrobial Effects | Enzymes | Anti-Oxidant Anti-Inflammatory Effects | Starches | Sugars | Vegetables | Juicing | Green Smoothies | Cholesterol | Protein | Alkalinization | Vitamin C Alkalinization | Vitamin D | Eating Organic
- Miscellaneous Aids During Treatment

PART 7 | ATTAINING & MAINTAINING WELLNESS

- Three Phases of Healing: Physical,
- Emotional & Mental, and Spiritual
 - Physical | Mental & Emotional | Thinking it Through | Will This Help Me Heal | Counseling | Spiritual | Cognitive Repair | Three Phases Create a New Beginning
- How Good Can it Get?
 - Varying Elements for Healing | Typical Improvement | Spiritual Component | Passing it On | Remission or Cure? | Finding the Balance | Accepting the New Normal | Crossing the Threshold
- Tangible Tips
 - Doctors' Appointments | Medications | Food | While at Home | Leaving the House | General
- Acknowledgements, Helpful Media, Glossary, Index
